

Bestbath provides luxury bathing options, expertise, and peace of mind to any bathroom remodel project. Our innovative manufacturing process ensures you get a premier bathing system with customized options that will enhance your home's décor and last a lifetime. Best of all, your Bestbath shower or tub will offer years of flexibility while adapting to changing needs. Full plywood backed walls allow you to add grab bars, soap dishes or any other accessory to make your shower worry-free while maintaining its original beauty.

Bestbath products are made in the USA and come with a 30-year limited warranty so you can relax knowing you're covered now and in the future.

Accessories

Bestbath accessories perfectly accompany showers and tubs. The Great Grabz line of decorative grab bars brings sophisticated elegance to any bathroom, while soap dishes, no-caulk drains and window and flange trim kits make your bath or shower even more beautiful. Our weighted shower curtain and the WaterStopper take performance and style to the next level.

**Smart Choices For
Bathroom Remodel Projects**

Showers

Choose Bestbath™ for your bathing needs and you will get the ultimate in beauty and durability. From total color customization, to the tough composite and structurally reinforced walls with an attractive gelcoat finish, Bestbath sets the standard for elegance in design.

- Hundreds of shower designs with multiple threshold heights to fit your unique needs
- No mud setting required, saving time and money
- Customizable accent colors

Bestbath's Designer Series allows you to fill recessed panels with your choice of tile for a custom design to fit your project's style and décor.

Shower Pans

Our shower pans are available in a full range of sizes and threshold heights, including curbed and low-profile. Bestbath shower pans allow for the use of tile walls without the worry and maintenance of tile floors.

- Fast and easy installation
- Pre-leveled at the factory for a perfect slope to drain every time
- No mud setting required, saving time and money

Tub-Showers

Offering style and functionality, Bestbath tub-shower combinations are a great fit for your remodel project. With an extensive line of tub-showers and accompanying design choices, you can be sure that you will get the right tub-shower to fit your needs and unique style.

- Custom color accents make a statement and offer décor flexibility
- All surrounds have gelcoat surfaces that are easier to clean and maintain than tile
- Laminated wood-reinforced walls allow for grab bars and accessories to be easily installed without additional structural bracing

Walk-In Tubs

Bestbath walk-in tubs offer unparalleled design features and innovation. Every tub features a strong stainless steel latch that is simple to use and can be easily adjusted using the lever. Plus, all walk-in tubs have pre-installed plumbing with all connection lines, so professional installation is quick and straightforward.

- Luxurious seat warmer, grab bar and non-skid floor come standard in every walk-in tub
- Therapeutic air/water jet combo available
- Limited lifetime warranty on the door seal
