

Stop Wet Floors
Stop Slips & Falls
Stop Mold & Rot

Start with

**WATER
STOPPER™**

Keep water in... and slips and structural damage out.

Bestbath®'s WaterStopper™ is simply the most effective water containment system on the market. Our all-in-one water containment kits come with everything you need to install in your shower today. Whether stepping in by foot, with the help of a walker, or rolling in with a wheelchair, WaterStopper keeps water where it belongs: in the shower!

- **Protects bathers of all abilities**
- **Installs in minutes**
- **Reduces risk of damage from mold or rot**
- **Works with any low-step, no-step or barrier-free shower**
